"As 13 Bankers makes lucidly and compellingly clear, the problem with Wall Street leads directly to the core problem of our democracy. American politics now feeds on money, and Wall Street is where the money is. Unless we separate money from politics, we'll never be safe from another financial meltdown. In fact, we'll never really be safe.

#### 13 Bankers PDF Summary - Simon Johnson | 12min Blog

13 Bankers received an excellent review by Adrien Auclert in *laviesidées.fr* — excellent not only because it was positive, but because of its depth and detail (and twenty footnotes — the large majority independently researched by the author). It begins with a relatively accurate backstory, identifies the key themes of the book, and points out the weakest chapter — the last one, where we tried to come up with policy proposals that would have an impact four months after we wrote them ...
