The Open Library has more than one million free e-books available. This library catalog is an open online project of Internet Archive, and allows users to contribute books. You can easily search by the title, author, and subject.

## 1959 Matchless 350 Engine

The Matchless G50 single-cylinder racer was made generally available for privateers in 1959, and competed against the Norton Manx. Though its 90.0 x 78.0 mm 50 bhp engine and top speed near 135 mph (217 km/h) were slightly down on the Manx, the lighter Matchless could take the day on tight and twisty circuits.

As well as having the best name of any vintage racing outfit, Team Obsolete has an eye-watering collection of bikes. And they're all ready to line up on the grid, including a 1964 Honda 250/6 that revs to 18,000 rpm and a flotilla of MV Agusta works racers. You could fill a book with stories and pictures of T.O. machines, and we love racing eye candy as much as anyone.
