Also, files from 2009 should work with 2010. However, I haven't used 3D Studio Max since version 5, but version files did work fine in version 4. However, if you use any new features in 2010 with your model, it may not work with 2009. However, this shouldn't be a problem, as you won't be learning any of the new features in 2009.
