In addition to these basic search options, you can also use ManyBooks Advanced Search to pinpoint exactly what you're looking for. There's also the ManyBooks RSS feeds that can keep you up to date on a variety of new content, including: All New Titles By Language.

Engine 340 440

The 340 V8 was designed from the point of view that a lighter weight engine with decent horsepower would amount to better performance as opposed to extremely large engines like the Dodge 440 and the Ford 462. Chrysler put quite a bit of effort into the making the 340 a respectable engine on the street as well as the race circuit.

Dodge - Plymouth 340 V8 Engine - Engine Facts

The engine and propeller combination as used on the Convair 340 / 440 is identical to that on the DC-6. There are many designations for what is effectively the same R-2800 engine used on the aircraft - the first designation is the engine using 100 octane and the second high octane fuel - these days with only 100LL (blue) fuel, only the first stage, or (low blower) can be used:

Rupp For Sale - Snowmobile Engines

The Chrysler 440 V8 engine was built from 1966 to 1978 and was the last of the Mopar engines that were over 400 cubic inches. The 440 was definitely not as powerful as the 426 HEMI but considering it could be purchased for half the price of a HEMI there were a lot of buyers ready to purchase this Mopar powerhouse. From 1969 to 1971 the 440 got ...

Chrysler Plymouth Dodge 440 V8 Engine Specs, 440 ...

One of the classic ways to travel the United States is in a motorhome, and one of the most classic motorhome engines ever made is the Dodge 440 by Chrysler Corp. The Dodge 440 engine can be found in many 1970s full-sized motor homes, especially the popular 1974 Winnebago. Quite a few of these are still on the road, ...

440 Motorhome Engine Specs | Gone Outdoors | Your ...

In its production days, Mopar's Big Block was the engine people took into battle to face down legions of Brand X machines from FoMoCo & the General; 383's were budget screamers, 413 & 426 Max Wedges were legends and the 440 was Mopar's top wedge with the 440 Six Pak version able to face down Street Hemis unless in the hands of the best tuners and drivers.
