## **Navigating through Problem Solving and Reasoning in Grade 2**

Navigating through problem solving and reasoning in grades 6-8. [Susan N Friel;] -- In middle school, students' reasoning about problems no longer routinely ends in solutions. Students can consider whether their solutions make sense or lead to solutions for related problems.

## **Navigating through problem solving and reasoning in grades ...**

Problem-solving skills help you determine the source of a problem and find an effective solution. Although problem-solving is often identified as its own separate skill, there are other related skills that contribute to this ability.
