The Iron Key in Black 2 or the Iceberg Key in White 2. When you switch over to using these via the Unova Link function, you will then find that they instead have taken residence in the same place you captured Regirock. Typically, this would make them version exclusives with Registeel being Black 2 and Regice being White 2.

### **Pokémon Black 2 & Pokémon White 2 - Legendary Pokémon**

As the name of the game, Pokémon - Black Version 2 suggests, what we have here is a full-on sequel from the first game. I am pretty sure this is the first time this had happened in the series and the game takes place two years after the events of Pokémon Black (and Pokemon White of course). The story that the game tells is actually really cool.
