Representing The Rural Space Place

Whether rural space is figured as idyllic or troubled, mythological or historical, obsolete or perennial, this collection argues that it constitutes a rich medium through which to enunciate shifting concepts of identity and nationhood. Spanning time periods and world locations, the films discussed in this volume use the land as physical territory, living place, unspoken character, or mythic and ...

Representing The Rural Space Place And Identity In Films ...

In order to discuss how social and physical space and place get articulated in these three films, I need to make some preliminary remarks about what I mean by the terms space and place. Place is a more concrete term than space; it is, according to Yi-Fu Tuan, "a concretion of value, though not a valued thing that can be handled or carried about easily" (9) .
