This two-volume collection reinforces the major political, economic, social, and cultural developments in the textbook by allowing students to engage directly with the voices of those who experienced them.

Amazon.com: Sources of The Making of the West, Volume II ...

The major insight of Sources of the Self is that modern subjectivity, in all its epistemological, aesthetic, and political ramifications, has its roots in ideas of human good. After first arguing that contemporary philosophers have ignored how self and good connect, the author defines the modern identity by describing its genesis.

Description: Sources of The Making of the West helps bring the history of the west to life. Thoroughly revised and designed to be used independently or as a companion reader, this two volume collection parallels the major topics and themes covered in each chapter of The Making of the West.

Sources of The Making of the West, Volume I 6th edition ...

In this extensive inquiry into the sources of modern selfhood, Charles Taylor demonstrates just how rich and precious those resources are. The modern turn to subjectivity, with its attendant rejection of an objective order of reason, has led—it seems to many—to mere subjectivism at the mildest and to sheer nihilism at the worst.

Sources of the Self: The Making of the Modern Identity by ...

The Making of the Modern World is extraordinary for research into the history of the dynamics of Western trade, including the Industrial Revolution in Great Britain, encompassing the coal, iron, and steel industries, the railway industry, the cotton industry, banking and finance, and the emergence of the modern corporation. It is also strong in the rise of the modern labor movement, the evolving status of slavery, the condition and making of the working class, colonization, the Atlantic ...

Statutory Law. The second source of law is statutory law. While the Constitution applies to government action, statutes apply to and regulate individual or private action. A statute is a written (and published) law that can be enacted in one of two ways. Most statutes are written and voted into law by the legislative branch of government. This is simply a group of individuals elected for this ...
