'The Garden of the Departed Cats' by Bilge Karasu, translated by Aron Aji (New Directions Books, 1991/2003, 25TL, pp 256) "Understanding the whispers takes a difficult process of deciphering, like reading hieroglyphs." So says one of the twelve fables included in Bilge Karasu's unique 1991 work, "The Garden of the Departed Cats."

'The Garden of the Departed Cats' by Bilge Karasu

In an ancient Mediterranean city, a tradition is maintained: every ten years an archaic game of human chess is staged, the players (visitors versus locals) bearing weapons. This archaic game, the central event of The Garden of the Departed Cats, may prove as fatal as the deadly attraction our narrator feels for the local man who is the Vizier, or Captain, of the home team.

An apprentice acrobat fears his master. These twelve strange fables - parables moving from guilt and denial to truth, and on to desire - work independently of the main narrative but, in unpredictable ways, (reminiscent of Primo Levi's The Periodic Table), echo and double its chief theme of The Garden of Departed Cats which is the nature of love.
