The Pragmatic Programmer - Wikipedia

In *The Pragmatic Programmer*, Andrew Hunt and David Thomas codify many of the truths they've discovered during their respective careers as designers of software and writers of code. Some of the authors' nuggets of pragmatism are concrete, and the path to their implementation is clear.

Buy The Pragmatic Programmer: From Journeyman to Master ...

The *Pragmatic Programmer* is the one book I can point to that completely dislodged the existing trajectory of my career in software and pointed me in the direction of success. Reading it opened my mind to the possibilities of being a craftsman, not just a cog in a big machine. One of the most significant books in my life. — Obie Fernandez
