What Are Some Possible Solutions

Some Possible Solutions is a collection of 18 short stories that are strange and unsettling. They often slip into a dystopian world. This is a difficult book to review because some stories really went over my hear while I really loved some others. 'The Knowers' was a chilling read in which a woman knows the exact date when she is going to die.

Some Possible Solutions by Helen Phillips

Some Possible Solutions is| tremendously hopeful. At times hope arrives in the form of new technology; elsewhere it's transmitted through the tenderness of other human beings. Perhaps, then, the key word in the book's title is not "solutions", but "possible"—because within these pages, anything is." —The Rumpus
