Freeride windsurf boards are the most popular. These boards are perfect for intermediates and advanced windsurfers and provide a great deal of speed with higher winds. Weighing less and offering less width than beginner boards, where the weight is proportioned is very important with freeride boards.

Windsurfing is a surface water sport that is a combination of surfing and sailing. It is also referred to as "sailboarding" and "boardsailing", and emerged in the early 1970s from the surf culture scene of California. Windsurfing had gained a following across North America by the late 1970s and had achieved global popularity by the 1980s.
